New York, 13-14 November 1996
Agenda item 14

ELECTIONS, NOMINATIONS AND APPOINTMENTS

Note by the Secretary-General

The Secretary-General has received the following nomination from the Government of the Russian Federation for election to the Committee on Natural Resources:

VLADISLAV M. DOLGOPOLOV

Born on 6 April 1937; graduated from the Mining Institute (Ekaterinburg, Russia, 1960); post-graduate courses at the Institute of Mineralogy and Geochemistry of Rare Metals (Moscow, 1970) and Academy for Foreign Trade (Moscow, 1974); candidate of sciences (geology).

From 1960 to 1962, he worked at the Complex Mapping Geological Expedition in Ekaterinburg, the Urals; from 1962 to 1971 - at the Complex Geological Expedition in Artemovsk, Donetsk region; from 1971 to 1978 - at the Department of Scientific Organizations, Ministry of Geology of the USSR, Moscow; from 1978 to 1982 - at the Department of Geology, Secretariat of the Council for Mutual Economic Assistance, Moscow. Currently he is the Director of the Department of Geology and Mining at the Ministry for Science and Technology Policy of the Russian Federation. He has about 35 publications in different geological magazines (among them monography "Criteria and Methods for Forecasting of Metal and Nonmetal Deposits", Moscow, 1981).

Mr. Dolgopolov has experience in geological and geochemical investigation in areas with various geological compositions and on various landscapes and climatic conditions.

He has participated in international conferences and seminars and in the work of the Committee on Natural Resources.
